

**Maybe I'm Doin' It Wrong**  
by Randy Newman

Chorus:

Maybe I'm doin' it wrong.  
Maybe I'm doin' it wrong.  
It just don't move me the way that it should.  
Maybe I'm doin' it wrong.

Verse:

There ain't no book you can read.  
There ain't nobody to tell ya.  
I don't think I'm gettin' what everyone's gettin'.  
Maybe I'm doin' it wrong.

Bridge:

Sometimes I throw off a good one.  
Least I think it is.  
No I know it is.  
I shouldn't be thinkin' at all.  
I shouldn't be thinkin' at all.

Chorus:

Maybe I'm doin' it wrong.  
Maybe I'm doin' it wrong.  
It just don't move me the way that it should.  
Maybe I'm doin' it wrong.
