- Degrees awarded:
 - Doctor of Science, Steklov Institute, Moscow (Russia), 2006,
 - Ph.D. in Mathematics, Johns Hopkins University, Baltimore (USA), 2000,
 - Ph.D. in Mathematics, Steklov Institute, Moscow (Russia), 1999,
 - B.A. in Mathematics, Moscow State University, Moscow (Russia), 1995.
- Career since graduation:
 - Associate Professor, University of Edinburgh, 2008–present,
 - Assistant Professor, University of Edinburgh, 2004–2008,
 - Postdoctoral Associate, University of Georgia, 2002–2004,
 - Software Engineer, PTC, 2001–2002,
 - Assistant Professor, University of Liverpool, 2000–2001.
- Major research interests: Birational Geometry.
- Postgraduate students:
 - Dimitra Kosta, University of Edinburgh, 2005–2009,
 - Andrew Wilson, University of Edinburgh, 2006–2010,
 - Ilya Karzhemanov, University of Edinburgh, 2007–2010,
 - Dmitrijs Sakovics, University of Edinburgh, 2009–present,
 - Jesus Martinez Garcia, University of Edinburgh, 2010–present.
- Some recently published papers:
 - **Weighted Fano threefold hypersurfaces**, co-author: J. Park, *Journal fur die Reine und Angewandte Mathematik*, 2006, volume 600, pages 81–116,
 - **Fano varieties with many selfmaps**, *Advances in Mathematics*, 2008, volume 217, pages 97–124,
 - **Log canonical thresholds of del Pezzo surfaces**, *Geometric and Functional Analysis*, 2008, volume 11, pages 1118–1144,
 - **On singular cubic surfaces**, *Asian Journal of Mathematics*, 2009, volume 19, pages 191–214,
 - **Extremal metrics on del Pezzo threefolds**, co-author: C. Shramov, *Proceeding of Steklov Institute*, 2009, volume 264, pages 30–44,
 - **Points in projective spaces and applications**, *Journal of Differential Geomtery*, 2009, volume 81, pages 575–599,
 - **Halphen pencils on quartic threefolds**, co-author: I. Karzhemanov, *Advances in Mathematics*, 2010, volume 223, pages 594–618,
 - **Factorial threefold hypersurfaces**, *Journal of Algebraic Geometry*, 2010, volume 19, pages 781–791,
 - **Exceptional del Pezzo hypersurfaces**, co-authors: J. Park and C. Shramov, *Journal of Geometric Analysis*, 2010, volume 20, pages 787–816.
- Personal information:
 - born in Moscow (Russia) on October 10, 1973,
 - married to Elena Cheltsova since 3 August 1995,
 - kids: Ivan (October 9, 1998), Fedor (March 1, 2004), Ekaterina (December 4, 2005),
 - citizenships: British and Russian.
