Feedback form

I’d like to know a little bit about what you think about this class. This form is anonymous - don’t write your name on it!

1. Why are you taking this class? (requirement/interest/both/other...)

2. Do you like calculus?

3. Are the instructor’s explanations clear?

4. Do you think the class pace is too fast? Too slow?

5. Do you think the homework assignments are too long? Too short?

6. How do you like Webwork?

over
7. Are you participating in class? If not, why? How can I get you to be more active?

8. Please tell me what you like about this class.

9. Please tell me what you don’t like about this class. Constructive criticism is appreciated.

10. How can the class be improved?

11. Anything else you want to say?
