

# Scottish Topology Seminar

---

Thursday, 19 March, 2015  
ICMS  
15 South College Street

---

1-3PM SMSTC lecture

**Recognizing 3-dimensional manifolds**

**Saul Schleimer (Warwick)**

3-3.30PM Tea break

3.30-4.30PM STS lecture

**Heegaard Floer homologies and unknotting sequences of torus knots**

**Maciej Borodzik (Warsaw)**

4.40-5.40PM STS lecture

**L-space filling slopes**

**Jacob Rasmussen (Cambridge)**

*The Scottish Topology Seminar is organized by Diarmuid Crowley, Richard Hepworth (Aberdeen),  
Brendan Owens, Liam Watson (Glasgow) and Andrew Ranicki (Edinburgh).  
The Seminar is supported by the Glasgow Mathematical Journal Trust.*

*Please email [a.ranicki@ed.ac.uk](mailto:a.ranicki@ed.ac.uk) if you would like to come to dinner after the talks.  
Some travel money is available, especially for graduate students. Please apply by email.*
